The Global Alliance of Impact Lawyers (GAIL) is a community of legal leaders who are using the practice of law to have a positive impact on people and the planet, and to accelerate the just transition. We believe lawyers are uniquely positioned to facilitate change and support the movement towards a more equitable system.

The Global Alliance of Impact Lawyers is unique in our operation. We are leveraging the expertise of lawyers to accelerate the shift of corporate models and capital to make sure business is truly a sustainable force for good, while drawing learning from across the spectrum of impact disciplines.
